

# MY DREAMS

Tom loved to carve wood in his spare time. His uncle helped him to realise that other people who couldn't carve would be happy to buy the beautiful toys and flutes he made.

What things do you love doing? Think of all the things you enjoy. What are you good at? What are your hobbies?

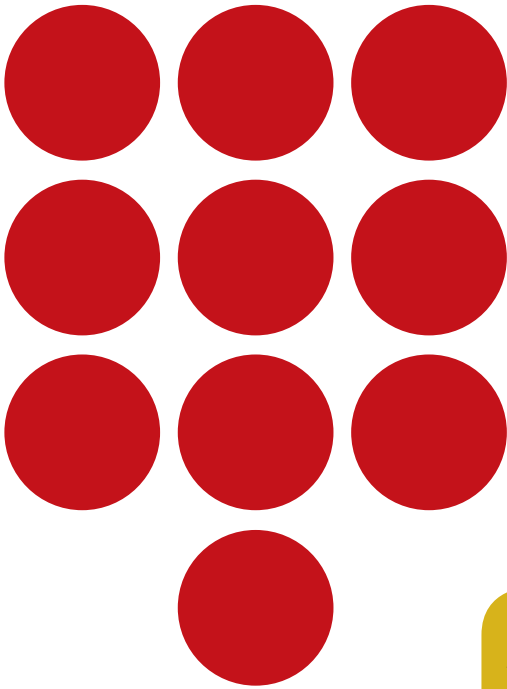

*Draw or write about the things you love doing. If you could spend all day doing whatever you wanted, what would you do?*

# PLAY THE PENNIES GAME!

## You will need:

- 1 die
- Lots of 1p coins
- A few 10p coins
- 2 or more players

*Put all the 10p coins here*

*Put all the 1p coins here*

- Choose which colour you want to play.
- Take turns to roll the die. What number did you roll? Take that number of 1p coins, and place them on your coloured circles.
- When you have filled all of your circles you have collected 10p! Swap your 1p coins for a 10p coin, and place it on your player base. Put all of your 1p's back in the pile.
- The winner is the first person to collect two 10p coins! Well done!
